

TRUTH-IN-SAVINGS DISCLOSURE

SHARE SAVINGS ACCOUNT

Rate Information:

The dividend rate and annual percentage yield may change every month. We may change the dividend rate for your account as determined by the credit union board of directors.

Compounding and crediting - Dividends will be compounded every month. Dividends will be credited to your account every month.

Dividend period - For this account type, the dividend period is monthly, for example, the beginning date of the first dividend period of the calendar year is January 1, and the ending date of such dividend period is January 31. All other dividend periods follow this same pattern of dates. The dividend declaration date is the last day of the dividend period, and for the example above is January 31.

If you close your share account before dividends are paid, you will not receive the accrued dividends.

Minimum balance requirements:

The minimum balance required to open this account is \$25.00.

You must maintain a minimum average daily balance of \$250.00 in your account to obtain the disclosed annual percentage yield.

Average daily balance computation method - Dividends are calculated by the average daily balance method which applies a periodic rate to the average daily balance in the account for the period. The average daily balance is calculated by adding the balance in the account for each day of the period and dividing that figure by the number of days in the period. The period we use is the month.

Accrual of dividends on noncash deposits - Dividends will begin to accrue on the business day you place noncash items (for example, checks) to your account.

Transaction limitations:

ATM withdrawals are limited to \$510.00 per business day and no more than three per business day.

During any statement period, you may not make more than six withdrawals or transfers to another credit union account of yours or to a third party by means of a preauthorized or automatic transfer, telephonic order or instruction, or by check, draft,

debit card (if applicable), or similar order to a third party. If you exceed the transfer limitations set forth above, your account will be subject to closure by the credit union.

Par value of a share:

The par value of a share in this account is \$25.00.

SHARE DRAFT/CHECKING ACCOUNT

Rate Information:

The dividend rate and annual percentage yield may change every month. We may change the dividend rate for your account as determined by the credit union board of directors.

Compounding and crediting - Dividends will be compounded every month. Dividends will be credited to your account every month.

Dividend period - For this account type, the dividend period is monthly, for example, the beginning date of the first dividend period of the calendar year is January 1, and the ending date of such dividend period is January 31. All other dividend periods follow this same pattern of dates. The dividend declaration date follows the ending date of a dividend period, and for the example above is February 1.

If you close your share account before dividends are paid, you will not receive the accrued dividends.

Minimum balance requirements:

The minimum balance required to open this account is \$25.00.

You must maintain a minimum average daily balance of \$1,000.00 in your account to obtain the disclosed annual percentage yield.

Average daily balance computation method - Dividends are calculated by the average daily balance method which applies a periodic rate to the average daily balance in the account for the period. The average daily balance is calculated by adding the balance in the account for each day of the period and dividing that figure by the number of days in the period. The period we use is the monthly statement cycle.

Accrual of dividends on noncash deposits - Dividends will begin to accrue on the business day you place noncash items (for example, checks) to your account.

Transaction limitations:

ATM withdrawals are limited to \$510.00 per business day and no more than three per business day.

MONEY MARKET ACCOUNT

Rate Information:

The dividend rate and annual percentage yield may change every month. We may change the dividend

rate for your account as determined by the credit union board of directors.

Compounding and crediting - Dividends will be compounded every month. Dividends will be credited to your account every month.

Dividend period - For this account type, the dividend period is monthly, for example, the beginning date of the first dividend period of the calendar year is January 1, and the ending date of such dividend period is January 31. All other dividend periods follow this same pattern of dates. The dividend declaration date follows the ending date of a dividend period, and for the example above is February 1.

If you close your share account before dividends are paid, you will not receive the accrued dividends.

Minimum balance requirements:

The minimum balance required to open this account is \$2,500.00.

You must maintain a minimum average daily balance of \$2,500.00 in your account to obtain the disclosed annual percentage yield. If your average daily balance drops below \$2,500.00, this account will be closed and transferred to your Share Savings account

Average daily balance computation method - Dividends are calculated by the average daily balance method which applies a periodic rate to the average daily balance in the account for the period. The average daily balance is calculated by adding the balance in the account for each day of the period and dividing that figure by the number of days in the period. The period we use is the monthly statement cycle.

Accrual of dividends on noncash deposits - Dividends will begin to accrue on the business day you place noncash items (for example, checks) to your account.

Transaction limitations:

The minimum deposit we allow is \$200.00 per deposit.

The minimum amount you may withdraw is \$200.00 per withdrawal.

During any statement period, you may not make more than six withdrawals or transfers to another credit union account of yours or to a third party by means of a preauthorized or automatic transfer, telephonic order or instruction, or by check, draft, debit card (if applicable), or similar order to a third party. If you exceed the transfer limitations set forth above, your account will be subject to closure by the credit union.

HOLIDAY CLUB ACCOUNT

Rate Information:

The dividend rate and annual percentage yield may change every dividend period. We may change the dividend rate for your account as determined by the credit union board of directors.

Compounding and crediting - Dividends will not be compounded. Dividends will be credited to your account at maturity.

Dividend period - For this account type, the dividend period is the term, for example, the beginning date of the first dividend period of the calendar year is October 14, and the ending date of such dividend period is October 14 of the following year. All other dividend periods follow this same pattern of dates. The dividend declaration date follows the ending date of a dividend period, and for the example above is October 15.

If you close your share account before dividends are paid, you will not receive the accrued dividends.

Minimum balance requirements:

No minimum balance requirements apply to this account.

Average daily balance computation method - Dividends are calculated by the average daily balance method which applies a periodic rate to the average daily balance in the account for the period. The average daily balance is calculated by adding the balance in the account for each day of the period and dividing that figure by the number of days in the period. The period we use is the term.

Accrual of dividends on noncash deposits - Dividends will begin to accrue on the business day you place noncash items (for example, checks) to your account.

Transaction limitations:

You may not make any withdrawals or transfers to another credit union account of yours or to a third party by means of a preauthorized or automatic transfer, telephonic order or instruction, or similar order to a third party.

If any withdrawal is made from this account before the end of the club term, then this account may be closed.

VACATION CLUB ACCOUNT

Rate Information:

Compounding and crediting - Dividends will not be compounded. Dividends will be credited to your account at the end of the club term.

Dividend period - For this account type, the dividend period is the term, for example, the beginning date of the first dividend period of the calendar year is June 14, and the ending date of such dividend period is June 14 of the following year. All other dividend periods follow

this same pattern of dates. The dividend declaration date follows the ending date of a dividend period, and for the example above is June 15.

If you close your share account before dividends are paid, you will not receive the accrued dividends.

Minimum balance requirements:

No minimum balance requirements apply to this account.

Average daily balance computation method -

Dividends are calculated by the average daily balance method which applies a periodic rate to the average daily balance in the account for the period. The average daily balance is calculated by adding the balance in the account for each day of the period and dividing that figure by the number of days in the period. The period we use is the term.

Accrual of dividends on noncash deposits -

Dividends will begin to accrue on the business day you place noncash items (for example, checks) to your account.

Transaction limitations:

You may not make any withdrawals or transfers to another credit union account of yours or to a third party by means of a preauthorized or automatic transfer, telephonic order or instruction, or similar order to a third party.

If any withdrawal is made from this account before the end of the club term, then this account may be closed.

INDIVIDUAL RETIREMENT ACCOUNT

Rate Information:

The dividend rate and annual percentage yield may change every month. We may change the dividend rate for your account as determined by the credit union board of directors.

Compounding and crediting - Dividends will be compounded every month. Dividends will be credited to your account every month.

Dividend period - For this account type, the dividend period is monthly, for example, the beginning date of the first dividend period of the calendar year is January 1, and the ending date of such dividend period is January 31. All other dividend periods follow this same pattern of dates. The dividend declaration date follows the ending date of a dividend period, and for the example above is February 1.

If you close your share account before dividends are paid, you will not receive the accrued dividends.

Minimum balance requirements:

No minimum balance requirements apply to this account.

Average daily balance computation method -

Dividends are calculated by the average daily balance method which applies a periodic rate to the average daily balance in the account for the period. The average daily balance is calculated by adding the balance in the account for each day of the period and dividing that figure by the number of days in the period. The period we use is the month.

Accrual of dividends on noncash deposits -

Dividends will begin to accrue on the business day you place noncash items (for example, checks) to your account.

Transaction limitations:

You may not make any withdrawals or transfers to another credit union account of yours or to a third party by means of a preauthorized or automatic transfer, telephonic order or instruction, or similar order to a third party.

_____ **SHARE CERTIFICATE**

Rate Information - The dividend rate on your term share account is _____% with an annual percentage yield of _____. You will be paid this rate until first maturity.

Compounding frequency - Dividends will not be compounded.

Crediting frequency - We will not credit dividends to your account. We will pay dividends to your Regular Share account every quarter and dividends cannot otherwise be withdrawn.

Dividend period - For this account type, the dividend period is quarterly.

Effect of closing an account - If you close your account before dividends are paid, you will not receive the accrued dividends.

Minimum balance requirements:

The minimum balance required to open this account is \$510.00.

Average daily balance computation method -

Dividends are calculated by the average daily balance method which applies a periodic rate to the average daily balance in the account for the period. The average daily balance is calculated by adding the balance in the account for each day of the period and dividing that figure by the number of days in the period. The period we use is the quarter.

Accrual of dividends on noncash deposits - Dividends will begin to accrue on the business day you place noncash items (for example, checks) to your account.

Transaction limitations:

After the account is opened, you may not make additions into the account until the maturity date stated on the account.

You may not make withdrawals of principal from your account before maturity.

Time requirements - Your account will mature _____.

Early withdrawal penalties (a penalty may be imposed for withdrawals before maturity) -

- If your account has an original maturity of 32 days up to and including one year:

The penalty we may impose will equal one months dividends on the amount withdrawn subject to penalty.

- If your account has an original maturity of more than one year:

The penalty we may impose will equal three months dividends on the amount withdrawn subject to penalty.

- If your account has an original maturity of 7 to 31 days:

The penalty we may impose is the greatest of:

- seven days dividends, on the amount withdrawn subject to penalty, if the withdrawal is made within the first six days after the deposit,
- all dividends that have been earned, or
- one-half of all the dividends that could have been earned in the term.

In certain circumstances such as the death or incompetence of an owner of this account, the law permits, or in some cases requires, the waiver of the early withdrawal penalty. Other exceptions may also apply, for example, if this is part of an IRA or other tax-deferred savings plan.

Non-automatically renewable account - This account will not automatically renew at maturity. If you do not renew the account, dividends will not accrue after maturity.

Fees and Charges:

A closing fee will be charged if your account is closed within seven days of opening.

YOUR ACCOUNT

These are the accounts you have opened or inquired about. Further details about these accounts are inside this brochure. If the figures are not filled in, please see the insert that is with this disclosure or your periodic statement.

SHARE SAVINGS ACCOUNT
