Announcing your credit union's
prepaid debit card.

Now the power to manage your money is in your hands. Just carry your credit union's prepaid debit card. You pre-fund your card with a specific amount of money. So you control your spending, but can re-load the card with more money at any time.

MANAGE YOUR PREPAID DEBIT CARD FROM YOUR COMPUTER.

Our internet management tool lets you track your spending with just a few clicks. So you always know how much you've spent, how much money is left on the card, and understand your spending habits. It's an easy way to stay within your budget.

When the card is running out of funds, just re-load it by going to the internet management tool. Then enjoy the convenience of using the card wherever debit cards are accepted.

PUT AN END TO BEING OVERDRAWN OR PAYING OVERDRAFT FEES.

You can only spend the amount on the prepaid debit card, so you never overdraw a checking account. This eliminates overdraft fees and embarrassing mistakes. Your credit union prepaid debit card is also very safe. It's not tied to your checking or sav-

ings account, so if it's lost or stolen, you won't have any risk. And it's much safer than carrying cash.
